Class Colors: Pastel Rainbow

Alma Mater

In a peaceful quiet valley
Under skies so blue,
Stands our noble Alma Mater
Glorious to view.

Lift the chorus
Speed it onward
Praise her to the sky,
Hail to thee our Alma Mater
Dear Old Brockway High.

Brockway High School
Brockway, PA 15824

DEDICATION

Always willing to help!

We, the Class of 1986, would like to dedicate our yearbook to a very special person who has taught us the meaning of the word friendship.

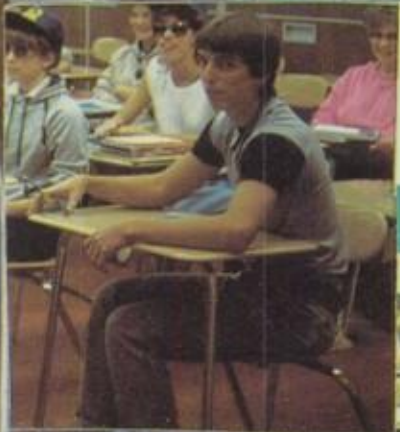

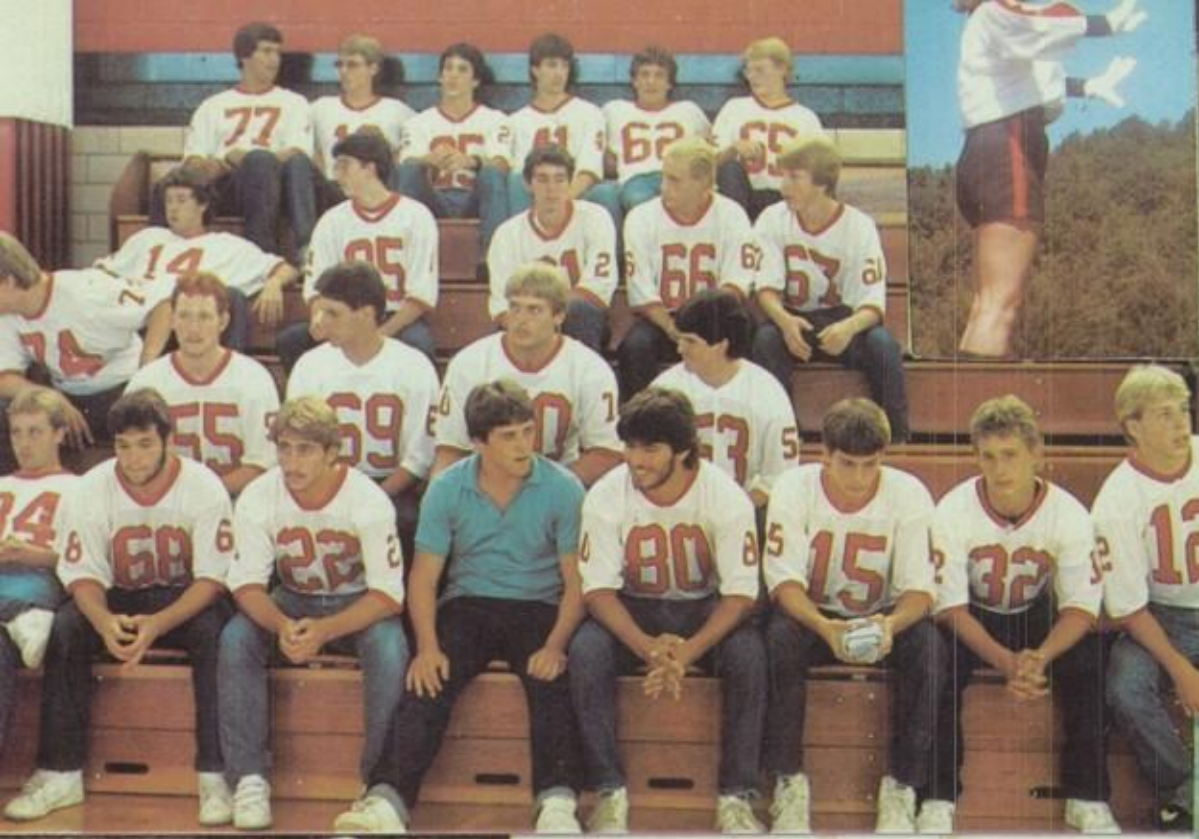

When we entered the school in the fall of 1980, you SCARED us to death. But as we leave Brockway Area High as graduates in the spring of 1986, you make us smile and laugh. The Class would like to thank you for all your words of wisdom and for teaching us values along with our biology! We shall never forget you and hope that you never forget us!!

At first we thought of you as a grizzly bear, but as the years went by, we've grown to love you as a teddy bear at heart! It is in this feeling, that we the Class of 1986, would like to dedicate your yearbook to you, Mr. Kellar.

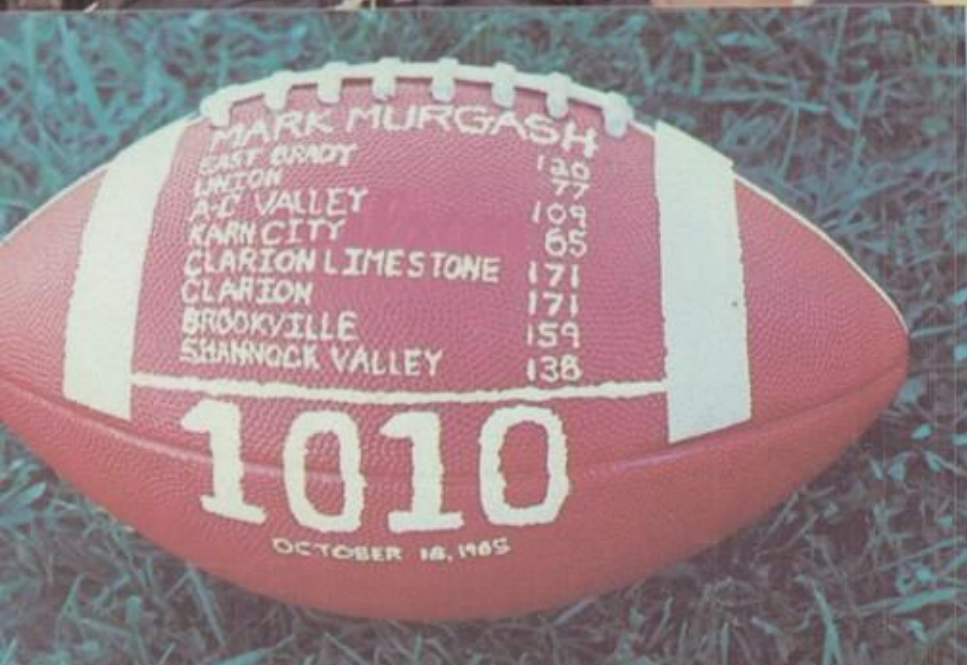

"How 'bout that there, Kellar??!"

HOMECOMING

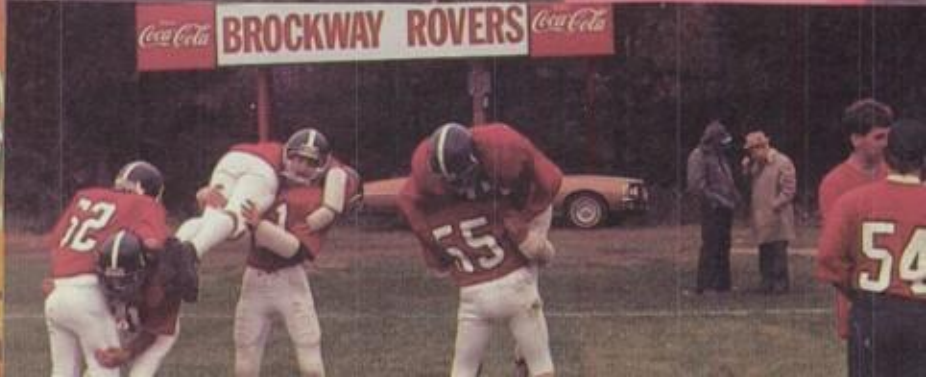

(L to R) Court and Escorts: Melissa Keister and Mike Corradi; Virginia Salter and Mike Rose; Lori Benninger, Queen, and Denny Brubaker; Lori Welsh and Mark Adams; Amy Lindholm and Joe Powell; Sue Carlson and Tom Caruso.

Even though it was a chilly fall day, our Homecoming was still a success. Our new scoreboard displayed a victory of 24-0 over the Clarion Bobcats.

During the half-time festivities, six of our chosen senior girls were presented as the 1985-86 Homecoming Court. The tension grew until the name of our new queen, Lori Benninger, was announced. Her court consisted of Lori Welsh, Amy Lindholm, Sue Carlson, Missy Keister, and Virginia Salter.

The day ended with our traditional Homecoming Dance. This day will be cherished by everyone that participated in some fashion, "Forever."

Her shirt says it all!

I'm learning so much!

SENIORS "86"

We are the seniors
Of today
A short time from now
We'll be on our way.

We'll take our memories
Wherever we go
These were the times
That helped us to grow.

When we move on
And go ahead with life
We'll know how to cope
With our sorrow and strife.

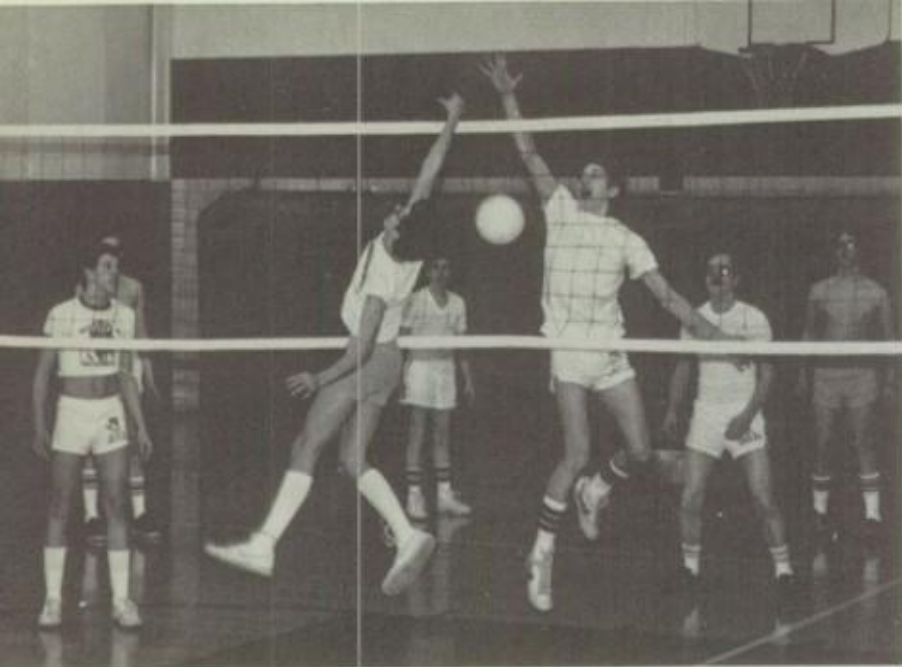

Down through the years
We grew in our hearts
To get ready for pain and happiness
When our new life starts.

When we leave
We should stay in touch
To let our friends know
How we've grown so much.

Before our reunion
Our lives will change
When we join together
It will all be so strange.

When we come back
And visit our little clicks
We'll each remember
"We're the class of '86."

Would you hold these for a minute?

Just a slight family dispute!

On November 15 and 16, the drama club presented two one-act comedies. **Parted on Her Wedding Morn** was the story of a young maiden who was left just minutes after her wedding because her husband was already married to another. As if that wasn't enough, an evil villain is after her. Don't despair. In the end, her true love comes to rescue her.

The Kentucky Marriage Proposal is the story of a middle-aged man who goes to propose to his next door neighbor and ends up in a property dispute. However, once again love prevails.

The plays were under the direction of Miss Scott and student director, Megan Hook. Everyone who attended the plays enjoyed excellent performances.

Casts: Jeanie Ortiz, Rhonda Serafini, Lisa Lewis, Mark Camuso, Julie Ann Ellenburger, Bill Poad, Mark Askey, Stacey Johns and Kim Spare.

Although there are no more pages to turn, we cannot close our high school years without expressing our warmest appreciation and gratitude to some very special people: Mr. Bernie Magirl, our Walsworth Representative, for always showing up on time to iron out our problems; Mr. Bud Grieneisen, for supplying us with so many memorable pictures, and Mrs. Nancy Kocher, for keeping the money and sales straight.

We also would like to thank the administration, faculty, and student body for all of their cooperation and support. But most of all, the 1985-1986 yearbook staff would like to thank Mrs. Denise Carlini, for all her dedication and hard work. For if not for Mrs. Carlini, our yearbook would lack guidance and we would lack a special and caring friend. Thanks Mrs. Carlini!

Although it may sometimes seem as if we have reached our sunset, in reality, we have only taken our first steps into the "Dawn". Mary Beth Pisarchick, Co-Ed.
